

The Derry Family to Japan

June-July 2019

Dear Prayer Partners,

We have spent these last two months playing “catch up” with several aspects of our busy lives. One of those areas is Titus’ homeschooling. We are so proud to announce that he has finished his schoolwork and has graduated from kindergarten!

Our home church even allowed him to have a small graduation ceremony, which meant a lot to him and to us. We are blessed with a sending church that cares deeply for us and our family!

One of the major areas we have been playing “catch up” in is our health. Charity’s dental surgery is scheduled for

September 9, and we would appreciate your prayers for a successful surgery and a quick recovery. Also, we have some answers concerning her health issues and she has begun medical treatment for that. Praise the Lord, we are beginning to see some signs of improvement! We are also thankful that we now have an “official” diagnosis for Bella’s sensory processing disorder and will begin occupational therapy soon. The therapy should give us the tools we need to help her as we travel.

These two months have been focused on rebuilding our health and strengthening our family. We have had many doctor’s visits and still have a few more until everything is ready for us to travel. Even so, I have been working on building our schedule and helping my home church in the summer functions and cleaning. As much as I have enjoyed some fellowship with my home church, I can’t wait to be back on the road, doing what I know God has called me to do!

We are also excited to announce that several churches have joined with us and we are now at 30 % of our support! We are praying that the many churches we have been at thus far will contact us soon with good news and that we can announce an even higher number. The souls of the Japanese people are very precious, and we cannot wait to be on the field working to see souls saved, lives changed, and churches started. Please pray with us as we continue to spread the vision that God has given us with more churches this year!
