Baptist Mission

"A ministry with the world in its view and the church in its heart."

March, April, May, 2018

Dear Pastor, Church and Friends,

Things have been sort of hectic since our last prayer letter. Barb's mother, Elsie, passed away in January, while I was in India. Barb handled all the funeral arrangements and we have been very busy with the estate since then. But we finally are seeing light at the end of the tunnel. We trust that we will be able to put this behind us soon. It is a labor of love, but we are weary.

Our pastor, Don Snow, had a heart attack in February. I was home at the time and was able to help with the preaching during his convalescence. He is doing fine now, howbeit, it has slowed his activities somewhat. If you would bring him before the Throne of Grace we would appreciate it.

College is out for the summer, and we are glad to be released from our duties in the classroom for awhile but are already looking forward to meeting the freshmen missions students in the fall. This past year I had thirteen students upon whom I trust we had some influence for the cause of Christ in the world. Already, there are several graduates of Massillon Baptist College that have joined APBM either as missionaries or chaplains. This is a good investment of our time and we are already seeing a return upon it.

In April, my computer was hacked. Computer experts say it is "corrupted beyond repair." This was very distressing, but I was able to save many of my files that had been saved to an external hard drive. So, praise the Lord for that. However, I think I lost my email contact list, or at least I do not yet know how to access it. For that reason, this letter is coming to you via USPS. I am currently learning how to use my new laptop, but, it is a slow process. I am not of the generation that computer skills seem to come to so easily. God is good --- all the time.

Please pray for us as we look forward to a week of teaching at Missions Camp in Ontario, Canada in July, followed by our own Advanced Missionary and Chaplain Training week in August.

May the Lord bless you richly. We love you for your faithfulness in praying and giving.

Warm regards,

Gary and Barb Forney
