Baptist Mission

“A ministry with the world in its view and the church in its heart.”

Jul, Aug, Sep, 2019

Dear Pastor, Church and Friends,

The following picture tells the story of our Advanced Missionary and Chaplain Training week, August 4-9 this year. As you can see, the attendance has grown over past years. As we were planning for this increase, we knew we were going to be out of classroom space, so a portable was brought in and set up. All Points Baptist Missionaries, Chaplains and their families come from all over the USA to take advantage of the many hours of instruction and training that we offer. It is a grueling week for everyone, but such an important event that complaints are few. The preaching this year was exceptional and very helpful. Pastor Snow and the members of Calvary Baptist Church did an outstanding job again of hosting AMCT. Also, there were members from other nearby IFB churches that came to lend a hand. It was a wonderful week! Your prayer and financial support helps make this all possible. I wish you all could come and observe. You would be blessed to see what is being accomplished.

The fall semester at Massillon Baptist College is in full swing. I have been given another course to teach this year; Cross Culture Evangelism, for which I have eight seniors. There are 14 freshmen students in my Introduction to Missions class. I teach one day a week and am done by noon. Again, I count it a great honor to be able to influence young minds and hearts toward a life of service for our Savior and King. Thank you for helping me do this.

This evening, the last day of September, I was on the phone with a young preacher from Manitoba, Canada. I am helping him with his application to APBM, and I am especially interested in his burden for the far north of that province. The aboriginals there certainly need to be reached with the truth of God's word. For generations, Satan has lied to them resulting in their lives being in shambles, their homes dysfunctional, their out-look bleak, and their eternity dark. Please pray that God will speed His message to them.

Barbara and I are doing well and are feeling good, praise the Lord! We are great-grand parents again with the recent birth of Hunter William, born to Gavin and Brittany Holland. I have never gotten over the marvel and miracle of reproduction, especially human. We serve a really awesome God. He is wonderful and He is my Savior. Praise His Holy name!

With overflowing hearts,

Gary and Barb Forney
