*“A ministry with the world in its view and the church in its heart.”*

Oct, Nov, Dec, 2019

Dear Pastor, Church and Friends,

With the passing of 2019 we feel a need to try, once again, to express our gratitude for your faithfulness in praying for and giving toward this ministry. We do not take this lightly, knowing full well, that if it were not for you, and others like you, all that has been accomplished would never have happened. Thank you from the bottom of our hearts! Thank you, also, for all the Christmas cards and special gifts. God bless you.

Some may not be aware that several years ago I wrote a tract, a booklet actually, that explains the gospel in some detail. It's titled, "How to Believe Upon Christ for Salvation." We've received report of people being saved as a result of reading it. If you would be interested in perusing it, I would gladly mail you a copy. Just contact us at the email address below. Barb and I supply them to churches and individuals at no expense. We are glad to be able to do this as a ministry outreach.

The spring semester has begun at the college. I have been asked to teach a course, The History of Missions. It is a new course for me and has required a lot of study on my part. I'll let you know how things go. I have a total of 21 students this semester. As I have said before, I considerate it a good investment of my time. It fits in nicely with the other "Missions" things I do. Thank you for helping me with this.

Barbara and I want to wish you a happy and prosperous 2020. May God richly bless your every endeavor for the furtherance of His great work. What a wonderful thing that we have each been chosen to partner with Him in reaching the world for Christ. Lets each reach somebody in the New Year.

Loving the Savior and those for whom he died,
