“A ministry with the world in its view and the church in its heart.”

January, February, March, 2020

Dear Pastor, Church, and Friends,

When last I wrote, I wished you a happy and prosperous 2020. That is still my desire for you in spite of the health and financial concerns that have come to the forefront in the first quarter of this year. I believe Christians may move ahead, with calm assurance, that God is still on the Throne. We should not fear sickness or death. We should not be afraid of food shortages, (Ps. 37:25). Barbara and I are being careful about things, but we know that nothing can touch us except our loving Heavenly Father wills it.

I taught my last class at college on March 18th due to health concerns. I have been corresponding with my students, who are studying at home in preparation of the final exam which will be administered by email. This certainly is different!

So far, missionary support for the families working under APBM, has come in fairly regularly, with one exception. This particular foreign missionary was \$800 under his normal support. Please pray that the financial downturn that some church members are experiencing will not cause deprivation for the servants of Christ who serve around the world.

We know when the rapture takes place and antichrist appears, he will usher in a one world monetary system. With the US economy now at risk, it is easy for us to see just how vulnerable people who have their trust in riches really are. The lost of this world will gladly accept a world leader who has the answers for the world's woes. I'm listening for the trump to sound. Are you? Perhaps today!

Warm regards,

Gary and Barb Forney
