January 2018

Third generation missionaries church planting in Panama

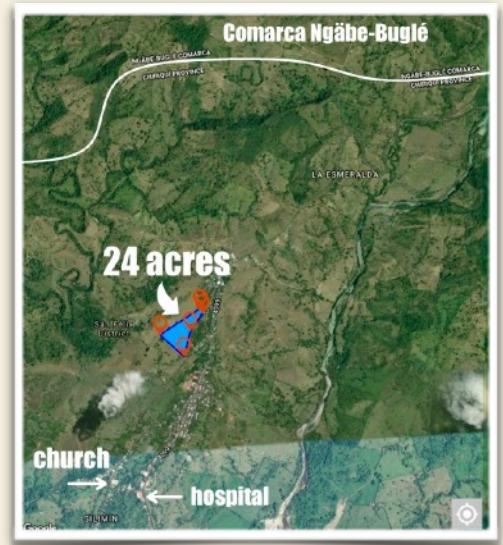

[www.missionsbeyond.com](http://www.missionsbeyond.com)

**For a limited time**, we have an amazing opportunity to buy **24 acres** of land that are strategically located between our church and the comarca (indigenous reservation). Our church, the hospital, and the comarca are all within a two mile radius. This is the perfect location for us to build a private runway and hangar. The land is also ideal for us to construct facilities to expand the **Bible Institute that our team is starting in March**. To our knowledge, it is the first full time Bible Institute in all of Panama and it is certainly the only Bible school of any kind in our area. For us personally, this land would be a double blessing because we would be able to build a house and for the first time my family would own a home.

This land will enable us to give native pastors the biblical training they need. It will help us bring physical aid to the hurting. Most importantly, it will be a tool to open the door for the gospel in unreached places. This property is being offered for only **.10¢/sq. foot!** The normal price is \$1.50/sq. foot. The total cost is \$110,000. We are praying in faith asking God to provide the funds to purchase it.

### **March 31 is the deadline to raise all of the money!**

We are grateful to God for leading us to this property. In hindsight, we now see that He used legal complications to keep us from building any permanent structures at the municipal runway because He had something better in mind for us. This is a better financial investment, the aviation ministry will have less government involvement, we will not have to rent a house anymore, and several new ministries will be able to flourish here.

When we moved to Panama, we joined an amazing team. There are missionaries from the USA, Costa Rica, and Panama who partner together with indigenous Ngäbe pastors to reach people for Christ. In our team, there are several different ministries. We have a girls home, pastoral training classes, kids clubs, ladies meetings, teacher training classes, English classes, a bus ministry, a deaf ministry, and **14** churches/mission works.

God is doing an amazing work in Panama and we are about to see it explode into something even greater than we could have ever imagined. We invite you to partner with us and reap some of those rewards too.

Give online at [www.gofundme.com/missionsbeyondaviation](http://www.gofundme.com/missionsbeyondaviation) or checks can be made out to "All Points Baptist Mission" with "Shields land fund" in the memo line.
