Dear Church and Praying Friends,

Philippians 1:6 Being confident of this very thing, that he which hath begun a good work in you will perform it until the day of Jesus Christ:

This verse has proven itself to be the very foundation of what we are doing here in Amherst, NS. The Lord is doing a mighty work in the lives of people and within the church. Over the last several months, we have seen the Lord do many mighty works for us here. We were able to get a renewal on our Visitor's Record for two years, which is such a relief. We are still praying for the possibility of Permanent Residence. We have also been able to buy the church property I mentioned in the last letter. Although there was and is much to be done on the building, it is exciting to see what the Lord is doing with it. We are currently praying about getting the roof replaced. It is long over due being replaced on one side, please pray about this for us.

We were also able to take six teens to Teen Thunder (camp) in March where we had one trust Christ as their Savior. Shortly after returning I was able to baptize three more, which was thrilling!! As spring came, we began door knocking the area and have hit over 1,700 doors so far, even with getting rained out several days that we planned to go out. There has been several opportunities to share the Gospel during this time, with two making professions of faith. There has been 6-14 out for door knocking. Through this we have seen 61 first time visitors since coming to Amherst!! WOW, it is exciting. Out of those visitors, 15 have come back multiple times with some of those becoming faithful attendees. We have had five new members join the church and the Lord blessed in a great way. We have a full schedule planned for the summer months and looking forward to what the Lord is going to do. We just finished our first Missions conference in which the church pledged nearly \$1400 a month to missions. What a blessing to see the Lord work in a great and mighty way.

On the home front, while at Teen Thunder the adult men played the teen boys in basketball, during which I twisted my ankle severely. I am still dealing with it but continue to knock doors and working the ministry. Two weeks later Elisabeth had a box fall on her leg and dislocated her knee cap. She is still wearing a brace but is recovering. Our house in Bathurst has still not sold and we need a lot of prayer concerning it so we can buy a house here.

Thank you for your prayers and support,

Living by Faith,

Rob Smith and Family

Prayer Request:
