

JULY 2018

THE **Stammen** FAMILY

Jonathon & Sarah
Elijah, Avery

HIGHLIGHTS

IT IS FINISHED!!

Praising the Lord for his provision as we step back and see HIS work bring us closer to impacting Honduras with God's Word. The literature distribution center is structurally finished and ready to be filled! Please continue to pray as we wrap up some of the finishing touches needed to make the offices and warehouse functional. (Lights, flooring, bathrooms, and divisions.)

OUR FIRST CONTAINER!

We are very excited to announce that our very first of many containers is shipped and on its way to Honduras! Our home church (Cornerstone Baptist) has been working diligently for several months printing, assembling, and packing nearly 60,000 Spanish new testaments to receive at the warehouse during their missions trip next month! Please pray for a speedy shipping process and favor at ports and customs in Honduras.

GOD'S WORD CHANGES LIVES

We are constantly reminded of the transforming power of God's Word. Our friend, Orlando Nuñez (pictured right) experienced that power after years of rejecting and running from his need of a Savior. Please keep praying for our continued efforts to evangelize in Santa Rita and all of Honduras.

ADOPT-A-CONTAINER PROJECT

With over 1 Million John & Romans, thousands of whole bibles, and countless other Gospel tracts and literature scheduled to be shipped, we would like to ask for your prayers and help to offset the shipping costs by considering a one-time or recurring gift towards this amazing project. We are looking forward to the fruit that will abound to your account through your spiritual investment in so many lives.
